

Hello and Welcome to Band at Rhema!

At Rhema Christian School, Band Class gives us the opportunity to learn to play an instrument as a part of a community of Faith. Through music making, we learn to communicate with others, become leaders, followers, and to listen to instructions. As a member of the Rhema band, you will have the opportunity to perform several times a year, including a Christmas Concert, Spring Fundraising Event, Spring Concert, and Graduation Ceremony. Students may also choose to coordinate with teachers to plan outreach concerts around the community. From saying a prayer during class to integrating Christian music into the curriculum, we keep God at the center of our lessons. We are so very excited to praise God with his sweet gift of music with you here at Rhema!

Students will need:

-Instrument in good, working condition (make sure to keep up with pad replacements, cleaning, etc.)

-Pencils

-Good quality instrument case for each instrument used/played
